ABOUT US

Imberpark is one of the countries longest family owned and run animal establishments.

Nestled on the leafy outsides of Charlton Village, Imberpark has become renowned not only for its 5 star boarding establishment but for its fine pet food store where people come to seek expert nutritional problem solving advice for their pets.

After 25 years of listening to pet owners we decided it was time to source a product that addressed many of the questions and problems that their pets had with many of the other manufactured foods in the marketplace.

So Petz Perfection super-premium was born.

The super-premium range comprises of 11 dog and cat foods. Each formulation is developed to be hypo-allergenic and will suit even the most sensitive dog and cat whilst keeping your pet in perfect condition.

All of the Petz perfection super-premium hypo-allergenic range is formulated without beef, dairy, pork, wheat or soya.

Not only is our commitment to your pet but also to the environment. Petz perfection is manufactured in a state of the art facility, where all the water and air used in production is cleaned and recycled on site, thus avoiding impact on the surroundings.

In fact we are so sure your pet and your pocket will love petz perfection super-premium we are prepared to give you your money back.
